

2014 Handmade Glass Collection

MILOMAX glass factory in Krosno specialises in production of fully handmade glass products. The company continues the old tradition of mouth blowing and hand finishing coupling it with modern and contemporary design.

The 2014 collection was designed by:

Piotr Stramski //
[enter text here]

Mateusz Maraj /1972/
Artist, designer from Krosno, Poland. In his works uses a broad range of techniques to create unique glass forms. His designs are used by many European and American companies.

Patrik Illo /1973/
Slovak visual artist and internationally respected glass designer, Head of Studio of Glass at Academy of Fine Arts and Design in Bratislava, Slovakia. His art works can be found in galleries and private collections in Europe, Asia and USA.

pure colours

Colours leave a strong impact on human moods and emotions. The feeling of freshness, coolness or love/passion are just a few examples of how colours may influence our daily lives. Colours not only reflect your style but also speak up about your moods and emotions.

21 of our standard colours do cater for needs of the most demanding product designers. Need more? A completely new colour palette, in both single and multilayered technology, can be manufactured at our plant.
